# MASONRY PAINTS

Romabio Masonry Paints are made from nature. They are not acrylic or latex paints. Masonry Flat & Masonry Textured are both high performing that are inherently the same.

Avorio White

# MASONRY FLAT

(BioDomus I)

## DETAILS

- Designed to paint natural brick and stone.
- Must be diluted with 20-30% water.
- It is a 2-coat process, with no primer.
- 20-year warranty – no peeling or chipping.
- Does not seal in moisture – 70+ perm rating.
- Made from Potassium Silicate.
- Can be applied to stucco, pre-painted surfaces, cement block with our BioGrip Micro Primer as first coat.

1 Coat	1L/1QT	2.5L/0.67GAL	15L/4GAL
Square Feet	65-85	165-215	1000-1300
Square Meters	19-26	50-65	305-396

Refer to the TDS for application instructions, additional usages, and product limitations.

**ROMABIO**

# MASONRY TEXTURED

(BioDomus II)

## DETAILS

- The same qualities as Masonry Flat, with an additional aggregate.
- The aggregate provides texture for smooth surfaces while filling in or smoothing out more coarse surfaces.
- Can be sprayed – fine to medium size aggregate and requires a texture sprayer both the compressor and the spray tip.
- If rolling – use ½ to ¾ “nap roller.
- Often used to create the look of stucco.
- Can be used to fill small cracks.

## COVERAGE

1 Coat	1L/1QT	2.5L/0.67GAL	15L/4GAL
Square Feet	50-70	130-180	800-1100
Square Meters	15-21	39-55	244-335

Refer to the TDS for application instructions, additional usages, and product limitations.

# MINERAL PRIMERS

Masonry paint can be applied to stucco, pre-painted surfaces, cement block with our Micro Grip Primer as first coat, which can also be tinted.

# BIOGRIP MICRO

## DETAILS

- Used as a **MINERAL BRIDGE** for our paints to create a surface for the mineral paint to adhere to.
- Used on pre-painted surfaces, stucco, cement block, and hardie board – any surface that is not a natural stone or wood
- Is not a blocking primer
- Can be tinted
- Must be diluted with 20% water

## COVERAGE

1 Coat	1L/1QT	2.5L/0.67GAL	15L/4GAL
Square Feet	65-85	165-215	1000-1300
Square Meters	19-26	50-65	305-396

# BIOGRIP MEDIUM

## DETAILS

- Same as BioGrip Micro, however, contains aggregate

## COVERAGE

1 Coat	1L/1QT	2.5L/0.67GAL	15L/4GAL
Square Feet	50-70	130-180	800-1100
Square Meters	15-21	39-55	244-335

Refer to the TDS for application instructions, additional usages, and product limitations.

**ROMABIO**

A photograph of a two-story white house with a snow-covered roof and garden. The house has several windows with white frames and a central entrance decorated with a wreath and garlands. The scene is set in winter, with snow on the ground and trees. A large, semi-transparent grey box with a thin white border is centered over the middle of the house, containing the word "BENEFITS" in white, bold, sans-serif capital letters.

# BENEFITS

Romabio paints go beyond just zero VOC. Our paints are toxin-free, odorless, do not contribute to asthma, and are hypoallergenic. All information is backed by 3rd party scientific testing. You can trust that our paint is safe for you, your family, and the environment.

# BENEFITS

## CONSUMER BENEFITS

- Creates a beautiful flat finish that gives consistency for the look you desire
- Highly Durable
- No VOC's or solvents – 3rd party verifications
- Naturally Mold resistant
- Breathable – cannot trap moisture
- Very High UV resistant
- Excellent Coverage
- Luminous color – more vibrant
- Comes in a white base for lighter colors or a transparent base for darker colors.

## PRO BENEFITS

- No additional primer needed on masonry surfaces
- Saves time and money because it covers in two coats
- Can apply in a wet environment
- Can be applied to stucco, pre-painted surfaces, cement block with our primer as first coat
- Very flat finish, so touches up very easily

Custom Color

# APPLICATION

Masonry Paints can easily be applied with a brush, roller or sprayer. If using Masonry Textured, you must use an aggregate or textured sprayer. Remember to dampen surface prior to application. Covers easily and will go further than other paints. Use a titanium spray tip (size 523 or 525).

Richmond White

# BEFORE & AFTER

*"We don't get the complaints when we use Romabio paint products as our customers are very happy with the transformation of their house, and we've never, not made a customer happy with these products."*
